The Waukesha Wrestling Club was established in 1983 and is sanctioned under the Wisconsin Wrestling Federation and the National Governing body named "USA Wrestling".

We are one of 154 sanctioned youth wrestling clubs in the State of Wisconsin.

Currently, the majority of our club coaches are parents who have wrestled and have or had children in the club.

We also may have high school wrestlers assist from time to time.

*The **USA Card** is mandatory and offers secondary injury insurance coverage and liability underwriting.
