

WAUKESHA WRESTLING CLUB

Open to Kindergarten through 8th graders

Register now at: www.waukeshawrestlingclub.org

We have separate practice locations set up at West and South High Schools. This structure will allow each high school to incorporate our youth program as part of a "feeder" system for future high school wrestling teams. We are working closely with all 3 high school head wrestling coaches to help grow their programs.

Cost

5K-2nd - \$75

3rd-8th - \$100

(Fee does not include required \$50 USA Wrestling Membership)

Club fee includes t-shirt and fight shorts which are coordinated with future high school colors

Wrestlers will attend practices at the future high school they plan to attend.
